

# Spring 2025 Criminal Procedure Assigned Textbook Case Calendar

**NOTE:** I am assigning Chapters One and Two as out-of-class prework which students are required to read (only) prior to the start of the first class:

## Chapter 1. A Criminal Justice Process Overview

Section 1	The Lawmaking Structure
Section 2	The Administrative Structure
Section 3	The Steps in the Process

## Chapter 2. The Nature and Scope of Due Process; The 14<sup>th</sup> Amendment and the applicability of the Bill of Rights to the states.

Section 1	“Fundamental Rights” and “Incorporation”
Section 2	The Shift to “Selective Incorporation”
Section 3	“Free Standing” Due Process

There is also a Zoom video recording and corresponding PowerPoint presentation from my Spring 2021 Criminal Procedure class on *Fundamental Rights – Ordered Liberty Incorporation Theories* which you need to fully watch prior to **January 22, 2025**.

You can find the Zoom video and PowerPoint in the Course Dropbox in TWEN.

The following assigned chapters and cases in your textbook should be fully read and briefed prior to each class. If for some reason we do not get to all the assigned cases on a given day, we will cover those cases as well as the assigned cases for the next scheduled class.

## Chapter 3. Arrest, Search and Seizure

(Read all Introductory Material and Footnotes in Ch. 3)

**Out-of-Class Prework** – The following out-of-class assigned material must be completed in preparation for the **January 22, 2025**, class:
